

Cars.com Crowns 2020 Hyundai Palisade as Best of 2020 Winner

3-Row SUV Proves to Be the Ultimate Vehicle of the Year for a Great Value

CHICAGO, Feb. 11, 2020 /PRNewswire/ -- Leading automotive digital marketplace [Cars.com](https://www.cars.com) (NYSE: CARS) names the [2020 Hyundai Palisade](https://www.cars.com) its Best of 2020 winner, one of the most highly sought-after awards in the industry. [Running](https://www.cars.com) up against stiff competition from BMW, Kia, Toyota and a Hyundai sibling, the roomy second- and third-row seating, ample driver and cargo space, and plenty of USB ports to keep all electronics charged moved the Palisade to the top.

"Hyundai's all-new Palisade has all the features needed to cement it as our Best of 2020," said Jenni Newman, editor-in-chief of [Cars.com](https://www.cars.com). "What really sets it apart is the controlled ride quality, an impressive V-6 engine, and, in the top trim levels, the use of quality materials in the cabin that mimic many of the luxury vehicles we see. This combination of utility, refinement and value as well as an impressive warranty made it a clear winner for our best car of the year."

When determining Best Of award winners, [Cars.com](https://www.cars.com)'s editorial panel of [vehicle and industry experts](https://www.cars.com) considers three key criteria for every car tested: quality, innovation and value.
