

CARS.COM'S AMERICAN-MADE INDEX ADDS TESLA TO EXCLUSIVE LIST OF MULTIYEAR CHART-TOPPERS, MODEL Y NABS NO. 1

Honda and Tesla Each Appear 4x in Top 10 Alongside Jeep and Lincoln, Which Secure Top Spots; GM Dominates List With Its Models Claiming 20% of Overall Index

Consumer Preference for American-Made Vehicles Jumps 22% Year Over Year

CHICAGO , June 21, 2022 /PRNewswire/ -- [Cars.com](#)™ (NYSE: CARS), the car-shopping marketplace, today announced the vehicles topping the charts of its 2022 American-Made Index (AMI), an annual independent ranking of vehicle makes and models creating the greatest impact on the U.S. economy through factory jobs, manufacturing plants and parts sourcing. For the second consecutive year, Austin, Texas-based Tesla claims the title of most American-made, this time with the Model Y. Tesla now owns the top two spots in the Index, with the Model 3 — last year's chart-topper — coming in second. To view the complete list, visit [Cars.com/AMI](#).
