The Committee shall review the Company’s ESG policies, practices and positions to further its corporate citizenship and sustainability (including but not limited to issues related to the environment, climate change, human rights, labor rights, and diversity and inclusion), considering the impact on internal and external stakeholders.

**Membership**

The size of the Committee shall be determined by the Board in its sole discretion. The members of the Committee shall be appointed annually by the Board and will serve until their successors are appointed or earlier at the Board’s discretion. The Board shall appoint one member of the Committee as its Chair. All members of the Committee shall meet the independence requirements of the New York Stock Exchange and any other applicable laws or regulations.

**Meetings**

The Committee shall meet as often as necessary to carry out its responsibilities. The Chair shall preside at each meeting of the Committee. In the event the Chair is not present at a meeting, the Committee members present at that meeting shall designate one of its members as the acting chair of such meeting. The Committee shall maintain minutes or other records of meetings and activities of the Committee and make regular reports to the Board.

## **Responsibilities**

In identifying and recommending individuals to stand for election, the Committee shall consider factors that it deems appropriate. The Board believes that a diverse board composed of highly qualified directors from varied backgrounds, who reflect the population demographics of the Company's markets, employees, and customer base, promotes better corporate governance. As such, the Committee considers candidates who are highly qualified based on a number of factors, including their judgment, skill, risk management expertise, experience with businesses and other organizations of comparable size and complexity, and the extent to which the candidate would be a desirable addition or have a particular set of skills that would assist the Board in carrying out its functions, as well as diversity criteria including race, gender, sexual orientation, age, background, ethnicity and geography. To help find the appropriate candidates, the Committee, if appropriate, may engage qualified independent external advisors to conduct a search for qualified candidates.

3. The Committee shall consider the performance of incumbent members of the Board in determining whether to recommend that they be nominated for reelection. 4. The Committee shall identify Board members qualified to serve on any committee of the Board (including the Committee) and to recommend that the Board appoint the identified member or members to the respective committee.
